Mark's Shifting Focus and Referrals to Astrologers and Psychics Dec. 2021

I am shifting my focus towards the esoteric and spiritual growth branches of astrology as well as slowing down my practice to provide more dimension to my personal life. I plan to develop writings, consultations and possibly classes as I shift in this new direction.

EXISTING CLIENTS: If you have had a consultation with me, then there are **no changes**. All services are available to you. Plan for longer lead times due to travel, currently running 4-6 weeks out on scheduling. I see clients 2-3 days a week Monday-Thursday Pacific Time. I am no longer able to do "I need it right away" services.

NEW CLIENTS: I am no longer taking new clients. I shall continue to provide the free astrology forecasts below. I expect to add on an esoteric consultation for new clients in June 2022 after the dust settles from this change of focus. See referrals to astrologers and intuitive consultants on the following pages.

SACRED TRAVEL: I shall periodically offer small group travel to ancient, sacred sites. It is good for you, the group and the planet to meditate and do healing ceremonies at sacred sites. The trips are not offered from a financial profit motivation, although I hope to get my expenses mostly covered if enough people join. I just enjoy traveling with like-minded people who are self-maintaining.

Next Trip: Turkey 2023 Details will come soon at <https://astromark.us/sacred-travel/>

FREE ASTROLOGY FORECASTS continue but shift towards esoteric & spiritual interpretations.

Thanks to all of you who have connected with me through consultations, lectures, articles, etc. You have helped me grow and be a better human being in so many ways.

I am not leaving my service, just redirecting my energy to increase my focus to esoteric, metaphysical and spiritual growth activities.

I wish you abundant blessings and clarity in expressing your higher self in this life.
